••••• InFocus

A Brighter Future.

You bring the vision. You drive the classroom. With the InFocus Learn Big IN24EP, IN24+EP and IN26+EP, you will feel confident knowing you have the power you need to influence and inspire at your next lesson. The colors are rich; the images, crisp and clear. It's a high performance projector built for rock-solid reliability. Once you've experienced the power of the IN24EP, IN24+EP and IN26+EP, it will be hard to imagine a lesson without them. Giving your ideas the biggest, brightest and clearest platform possible has never been more affordable.

The Workhorse that delivers.

The InFocus Learn Big IN24EP, IN24+EP and IN26+EP are hard working, compact and designed to impress. They are easy to transport to and from classrooms and auditoriums. These projectors will provide hours of worry-free use with high quality performance that will grab your student's attention and won't let go.

Incredible performance you can really afford.

Now you can finally get top-quality projector performance at an affordable low price. The InFocus Learn Big IN24EP, IN24+EP and IN26+EP give you the features and dependability you demand at a price that will keep the black ink flowing. With a recessed lens and sleek, compact design, you can be certain that the IN24EP, IN24+EP and IN26+EP will stand up to heavy use and always be ready for that next awe-inspiring lesson. The latest DLP™ (Digital Light Processing) technology from Texas Instruments® adds to the IN24EP, IN24+EP and IN26+EP's long-term reliability.

Smart, functional design makes you look brilliant.

Easy to set up and easy to use, the InFocus Learn Big IN24EP, IN24+EP and IN26+EP remove the hassle factor from all your lessons. Forget that jungle of cables you had to wrestle into submission. The IN24EP, IN24+EP and IN26+EP come with stylish tie-wraps that ensure easy stowaway of both power and data cables. All components are color-coded for ease of use and cable inputs are easily accessible on the rear I/O panel for effortless installation and seamless cable management.

• An easy to use, icon-based remote allows you to quickly scroll and select your settings.

Cool by design.

The InFocus Learn Big IN24EP, IN24+EP and IN26+EP are not only cool by design, but cool to the touch. Side-to-side cooling eliminates image distortion so your lessons are crisp and look better than ever.

Added features mean added value.

- Security locking mechanism acts as an anti-theft deterrent.
- Optional PIN code feature brings an end to unauthorized projector use.
- Full ProjectAbility keypad makes running the show trouble-free — and provides easy access to over 90% of the features you need most.
- 2000-2200 lumens of brilliance to light up your screen — and your audience.

The easy to use keypad and instant feedback LED display make running the show trouble-free. You'll have easy-access to the features you need at the touch of a button.
